### *LaViandé is premium farmed Alpaca*

Our producers range in size from smaller, family farmed properties to larger holdings.

Each, and every one of them are committed to the upkeep of their land through sustainable farming methods and humane treatment of their animals. They are proud to raise alpaca that meet the high quality standards necessary to be called **LaViandé**®

### *About the Name*

The name *LaViandé* reaches back to the Alpaca's origins, combining **La** (for Latin) and **Viandé** (meat) hence **LaViandé** meaning *Latin or South American meat!*

*Enjoy the Taste Sensation!*

## *LaViandé*

From the fresh, open farmlands of the Adelaide Hills comes a meat so tender, so delicious, that we gave it its own name.

It's called **LaViandé**® naturally tender Alpaca.
